

Wastewater Maintenance Mechanic
North Chautauqua Lake Sewer District
Salary Range: \$22.38 - \$28.59/Hour + Benefits

Chautauqua County's North Chautauqua Lake Sewer District is currently looking for one (1) Wastewater Maintenance Mechanic to work Full-Time (40 hours per week as assigned) out of the Mayville, NY office. Starting rate of pay is \$22.38/hour plus benefits. This is skilled work involving responsibility for repair and maintenance of electrical and mechanical equipment used to operate a wastewater treatment facility and its related sewer lines. Work performed is under the general supervision with leeway granted for use of independent judgment in technical and skilled trade tasks performed. Work often requires exposure to weather, corrosive elements, bacteria and involves working in awkward positions. Does related work as required.

Typical Work Activities:

- Inspects and repairs equipment associated with pumping/vacuum stations, grinder pumps and vacuum valves;
- Makes carpentry, plumbing, steam fitting, mechanical and sewer line repairs;
- Services electric motors and related electrical mechanical equipment;
- Installs and repairs electrical wiring and fixtures;
- Performs a variety of preventive maintenance tasks;
- Paints interior and exterior surfaces, pumps, motors and related equipment;
- Operates a variety of sewer clearing equipment including flush truck and rodder truck;
- Cleans and operates high and/or low pressure boilers and performs a variety of facility maintenance tasks;
- Operates snow removal equipment, grades, seeds and mows lawns, and prunes and sprays shrubs;
- Removes obstructions from sewers, valves, wet wells and the like;
- Inspects connections on sewer mains and manholes;
- Opens laterals in emergencies;
- Assists in the installation of new sewer lines and repairs of existing sewers;
- Installs catch basins and manholes;
- Operates closed circuit sewer televising equipment;
- Checks grading of new installations;
- Cleans and flushes sewer mains and manholes;
- Maintains sewer lines, collection and transmission systems;
- Maintains preventative maintenance schedules, logs, files and surveys as required;
- May operate a NYS CDL Class B vehicles;
- May assist wastewater plant operators with daily tasks.
- Position will be filled through approved applications received.

This position is being filled by approved applications received.
