

ENGINEER III

CHAUTAUQUA COUNTY DEPARTMENT OF HEALTH

SALARY RANGE: \$71,229.00 - \$113,826.00/YEAR + BENEFITS

The Chautauqua County Department of Health is currently accepting applications for the position of Engineer III in the Mayville, NY office. This position is full-time at 35 hours per week. Under general supervision, an employee in this class plans and acts as a consultant to a technical or administrative supervisor. Work entails the application of civil engineering skills to various projects undertaken in connection with surveys and the design, inspection, investigation and construction of public works, sewage facilities, air and other pollution control systems, and buildings. Work is reviewed by an administrative or technical supervisor through discussions and inspections, principally for determining general progress and adherence to departmental policies and regulations. Supervision is exercised over a staff of professional, technical and clerical employees. Does related work as required.

TYPICAL WORK ACTIVITIES:

- Reviews public water supply plans to ensure that new and existing systems comply with New York State Department of Health public water supply requirements;
- Provides oversight and guidance to ensure established systems are maintained and operated properly;
- Provide oversight, guidance and training for Chautauqua County Government field staff regarding onsite wastewater treatment system installations and inspections to enable County staff to perform residential permitting and compliance inspections;
- Reviews professional engineering designs and plans for new and expanding municipal, commercial and large/complex residential wastewater treatment systems.
- Oversees County approval of existing commercial systems at the time of property transfers;
- Coordinates co-inspections with New York State Department of Environmental Conservation permitted systems;
- Reviews and approves professional engineering plans for facilities such as swimming pools, splash pads, campgrounds, mobile home parks and the like.

This position is being filled on a provisional basis pending the outcome of a future dated Civil Service examination for this title. An incumbent will be chosen from approved applications received.

Chautauqua County Offers A Comprehensive Benefits Package Which Includes:
