

INTERN – CHAUTAUQUA COUNTY HEALTH DEPARTMENT

Up to 3 months @ 20 hours/week

\$15.50/Hour – No Benefits

The Chautauqua County Health Department is seeking applications for summer employment as an Intern. Interns, under general supervision, perform a wide variety of duties designed to provide a county department or municipality with some extra help and to give the employee some worthwhile experience in government. Applicants must be in the process of completing, or have completed, an Associate's or a Bachelor's degree in Environmental Science, Biology, or a related field at the time of application. Must also possess a valid driver's license and a reliable vehicle, able to lift forty pounds and perform field work. Must be able to work independently in the field; does related work as required.

Typical Work Activities:

- Works with the individual Department or Municipal Head or other supervisor on special projects and reports;
- Prepares findings and recommendations on the reports;
- Learns the over-all operation of the department or municipality and its governmental role;
- Attends meetings, conducts interviews and does research in gathering necessary data.

Positions will be filled by approved applications received.

Minimum Qualifications: None.
